

## **DIRECTOR OF CARE**

**Are you: a high energy, resident-centred health care leader with clinical and management skills seeking variety, a challenge and a respectful work environment?**

City Centre Care Society has, for over 100 years, provided residential long term care services for persons living in the inner city of Vancouver, BC. Working for this non-profit organization will appeal to persons interested in role modeling and in improving the quality of life for approximately 200 residents living on two sites. We provide two levels of specialized long term health care programs- Complex Care and Assisted Care, an innovative hybrid between Assisted Living and Complex Care. Our third program is an Addictions Recovery Program.

Our organization is seeking a high energy, seasoned leader with a positive disposition and a strong team player to serve as the Director of Care. This person will use her/his operational and strategic planning skills to assess and build on our considerable strengths and increase our capacity to deliver the next higher level of resident-centred and holistic care.

This position will appeal to a Nurse or clinician with significant management experience in a residential health care setting. The applicant must enjoy interacting with residents and staff to improve the quality of life of both groups. The individual's passion and belief in a social model of care will be demonstrated in a willingness to work hard to make meaningful change. This leader will inspire staff to strive to maximize the value of their contributions for the benefit of the residents. The ideal candidate will have a degree, experience in mental health and strong skills in facilitation, conflict resolution, problem solving, change management and team building. Knowledge of harm reduction strategies and the Eden Alternative are desirable.

Applicants interested in exploring this unique opportunity can visit our website at [www.cccares.org](http://www.cccares.org). If you wish a tour call Seamus O'Melinn, CHE, Executive Director at 604-639-8248. Resumes can be submitted to [somelinn@cccares.org](mailto:somelinn@cccares.org).
