

JOB DESCRIPTION – RECREATION AIDE

Position: Recreation Aide
Organisation: City Centre Care Society - Central City Lodge
Responsible to: Director – Operations & Leadership

Description:

City Centre Care Society – Central City Lodge, offers complex care, an Addictions Recovery Program, and assisted living services to a total population of close to 200 DTES residents. The majority of our residents are seniors, however we do also serve a number of younger individuals.

The Recreation Aide assists our Recreation staff in facilitating the activities program in our long-term care facility. Activities may involve arts/crafts, games, quizzes, spa/manicure, music, baking, seasonal activities, and other items as they come up.

The main focus of the role is to round up participants for activities in our multi-level building, and take them back to wherever they want to go after the activity finishes.

You are able to motivate people with your enthusiasm, but also know when to back off as needed. Being a good communicator, you will be able to establish sociable and familiar relationships with people from very diverse backgrounds and experiences, in order to heighten residents' enjoyment and participation in our activities program.
